FOR IMMEDIATE RELEASE

Southeastern Idaho District Health Department offers Food Handler Class

Southeastern District Health Department (SDHD) will be offering a Food Handler class in Soda Springs on Friday, January 22nd, 2010 from 1:00 p.m. to 4:00 p.m. at the Soda Springs Health Department building, 55 East 1st South in Soda Springs.

The Idaho Food Code requires there to be a person in charge on duty at all times who is able to demonstrate knowledge of food safety. One of the most effective and highly acclaimed ways to meet this requirement is the "Food Class" offered by SDHD. The course runs for three hours and all pertinent information on food protection and safety is presented.

At the end of the course, participants will be required to take an exam and must score 70% or better to pass. The cost of the course is \$10 per person and we ask that you pre-register as seating is limited. There must be a minimum of 20 people signed up by January 15th, 2010; otherwise the class will be canceled.

For more information, contact the Soda Springs Office at 547-4375.
